

## KNaNO House Rules

DM's (Dungeon Monitors) are here to help you, and to ensure that the rules are respected.

### Respect the site

- No drugs or illegal activity will be tolerated, and intoxicated guests will be asked to leave
- Use the equipment at your own risk
- Full nudity is allowed
- No intercourse (vaginal or anal, using a penis or a strapon)
- No oral-to-genital or oral-to-anal contact
- Other sexual activities (e.g. fingers, dildos and vibrators) are permitted
- Wax play is permitted - bring your own drop cloths and avoid getting wax on the floors

### Respect the other players

- Respect boundaries - do not touch people or things without permission
- Play only in designated areas unless cleared by a DM
- Don't crowd other scenes
- Keep loud talking or yelling to a minimum (this includes onlookers)
- Do not join any scene unless you are invited
- No uncontained fluids - use a drop cloth
- Absolutely no pictures or recordings of any kind
- Cell phones can only be used in the check-in area

### Play Safe

- Respect limits and safewords - the event safeword is RED
- If RED is called, the scene **must** stop until the issue is resolved - if not, DMs will intervene
- Using a hood, gag, etc. requires a drop signal as a safeword (DMs can provide)
- Clean equipment with the provided wipes after your scene
- Temporary piercings must be removed before leaving the equipment
- You must bring your own bio-hazard disposal system

### Respect the DMs

- The decisions of the DMs regarding safety and security issues are final
- If your scene is "edgy" or might bend a rule - consult a DM before starting
- Anything 'unusual' at KNaNO or that requires extra precautions (e.g. cutting, piercing, fire, pseudo non-consensual acts or loud screaming) **MUST** be pre-cleared with the chief DM
- DMs are here to help.

Thanks, and enjoy the party!
